

Message from the Nagoya Convention & Visitors Bureau

April 15, 2011

On behalf of the Nagoya Convention & Visitors Bureau, I would like to express our great appreciation for the warm encouragement and generous support we have received from all over the world in regard to the disaster which struck Japan on March 11, 2011.

Although the northeast region of Japan has been severely damaged by the disaster, the Central Japan region where Nagoya is located has not been affected. Facilities, transportation, and tourism-related services in Nagoya are all operating as usual.

The Nagoya Convention & Visitors Bureau and all related industries of the city are committed to providing you with a warm welcome and all necessary assistance to make your visit fruitful.

We believe you will be satisfied with the safe environment and have a fulfilling and enjoyable time in Nagoya.

If you have any concerns about traveling this area, please do not hesitate to contact us.

We are wholeheartedly looking forward to welcoming you to Nagoya.
